### A Note from Our President

*Caroline Mathis*

I am honored to have been chosen to serve as your Auxiliary President for this term. I have met several of you since I began volunteering in the Gift Shop 7 years ago. But many of you I have not had the opportunity to meet since we are not volunteering on the same days or at the same times. For those I have not met I would like to offer this bit of introduction. I moved to Lexington in 1994 from Knoxville, TN where I had lived for 22 years. (My blood no longer runs orange). I have 4 children and 7 grandchildren of which I am very proud. (I will share their pictures when asked). I am active in my church where I sing in the choir and have been a member of the Lexington Singers for 15 years. If you have ideas or concerns you wish to share with me, please do not hesitate to contact me. Working together we can make the "hospital experience" less stressful for the patients at Central Baptist Hospital.

### A note from Amanda Walker:

For those of you who may not know me, I am a HUGE supporter of the Auxiliary and am really looking forward to meeting and working even closer with each of you. I've spent the majority of my career working in volunteerism and not only understand, but have a deep love and appreciation for the Auxiliary here at Central Baptist Hospital. I value your hard work and the talents that each of you contribute to our program and look forward to supporting each of you and John in this new role. Please know that if there is anything I can do to help you during this transition, I will be glad to do it. And, if I've not had the pleasure of meeting you in person yet, please feel free to stop by at anytime and introduce yourself. Thanks in advance for your patience and support. I look forward to a very successful 2012.

## Important Information about transitions in Volunteer Services:

Dear Volunteer,

Over the past 17 years, John has had the privilege of serving you and Central Baptist Hospital as Director of Volunteer Services. This past week, John accepted the unique opportunity to also serve Central Baptist Hospital as the Director of Outpatient Diagnostic Services while continuing to have accountability for all the areas currently related to Volunteer Services. While there will inevitably be some overlap, these new responsibilities with Outpatient Diagnostic Services officially begin on March 12<sup>th</sup>.

It became apparent as this opportunity began to take shape that additional support for Volunteer Services and related areas was needed since these areas have grown significantly over the years. As a result, Amanda Walker, Lifeline Coordinator, will assume most of the routine responsibilities previously handled by John. Please know that Amanda and John will continue working together very closely to ensure a seamless transition and Volunteer Services will continue to have all the necessary organizational support.

In case you do not know Amanda well, she has been the Lifeline Coordinator for almost 4 years. As a result, Amanda has worked closely with the Auxiliary Board and various volunteers in this role. Earlier in her career, Amanda also worked with volunteers when she served as Gift Shop Manager for over 4 years at Ephraim McDowell Regional Medical Center in Danville.

To make it possible for Amanda to assume these additional duties Don Secrest, Lifeline Technician, will increase his hours to 20 hours per week and his duties will be changed appropriately. Don will work closely with Amanda and Nancy Pauley, Volunteer Services Assistant, to ensure all the customer service needs related to Lifeline continue to be met.

The Auxiliary leadership is also supportive of this transition and looks forward to continuing to work with John and even more closely with Amanda. Because your service to the hospital as a Volunteer is invaluable and universally appreciated throughout the organization, everyone involved is committed to providing all the support necessary for Volunteer Services to thrive at Central Baptist Hospital!

If you have any questions at all about these developments, please don't hesitate to ask any of us. We want to ensure everyone has the most up to date information and every concern or question is addressed.

Thanks again for your service as a Volunteer!

Sincerely,

Lynette Walker  
Executive Director, Human Resources

Caroline Mathis  
Auxiliary President

John Walker  
Director, Volunteer Services
