*Suzy Thurman, Auxiliary President*

As we speed toward the end of 2011, I find myself amazed at how fast the past 2 years have flown by since I began serving as President of the Auxiliary. I cannot begin to tell you what an honor and privilege it has been to serve you in this capacity. I have truly loved and enjoyed every minute of my term and thank each and every one of you for making this so much fun for me. It is an experience I will treasure forever. As much as I would love to take credit for these wonderful memories, I must give credit where credit is due. The people you elected to serve on the Boards with me these past two years have done so with great dedication and a wonderful spirit. The Auxiliary has been able to enhance so many different areas of Central Baptist Hospital due to the great interest, hard work and love of these fine people. I must also extend my eternal gratitude to John Walker, Nancy Pauley, Amanda Walker and Bridget Starr as well. They, as all of you, have been a support to me that cannot adequately be expressed through words. There are so many thoughts and emotions whirling around in my mind at this time as I end of my term and write this message to you, that I am overwhelmed as how to express them sufficiently. A simple "thank you" just doesn't seem to be enough.

In closing, I once again want to express my appreciation for the opportunities you have afforded me and for letting me to "do my thing" these past two years. I hope I have made it fun and rewarding for you as well. You are no longer just fellow volunteers and Auxiliary members but are now friends as well. My love, friendship and thanks is extended to each and every one of you as you have truly been "the wind beneath my wings".

I look forward to being with each of you at the Christmas luncheon on Dec. 8<sup>th</sup> and wish each of you a wonderful and blessed holiday season.

*Lovingly,  
Suzy*
