An Update from the Uniform Committee:

The uniform committee worked hard during the month of February to get everyone's sizes and style selections for the new uniforms. The uniforms should arrive in early April with a distribution date to be announced shortly thereafter via CallingPost. If you weren't able to make your selection during February, you will be able to pick yours out that week. The goal is to have everyone in their new uniform by Volunteer Appreciation Week, which starts **April 22nd**. When you pick up your uniform, you'll also receive your new Baptist Health ID badge. If you did **not** order your uniform yet, you will need to go to Human Resources to pick up your **new badge**. The new uniforms will make it easy for staff, patients and families to easily identify all of you who work so hard at making their experience here better. If you ordered an additional piece, you will receive an invoice via mail soon. If you have any questions regarding the new uniforms, please call Volunteer Services at 260-6670.
