Birthdays and news about Hospital Week

It was great to see so many of you in your new uniforms at the Volunteer Luncheon. Many, many hours of time and much hard work went into making this change happen. If you have not already expressed your "thanks" to Dolores Guiler, Suzy Thurman and Lonnie Watts please let them know how much you appreciate their dedication to accomplishing this task. If you don't happen to work on the same days that they do you could drop a note in the mail to them.

Thank you to those who brought razors and shaving cream to the luncheon The Patient Relations group can always use personal grooming items, socks and sweatpants. You can bring these at anytime and leave them in the volunteer room for them to pick up.

We are currently working on ideas to celebrate the 60th Anniversary of the Auxiliary in June of this year. If you have suggestions please contact me, or any Auxiliary Board member.

I hope you were able to plant your flower from the luncheon in a place that will remind you every day of how special you are for volunteering at Baptist Health.

Remember to check out the website for more luncheon photos. The password is VOL123.
