Welcome New Student Volunteer Coordinator!

DeeAnna is a native of Lexington, Kentucky. However, she lived and worked in the Auburn, Alabama, area for 33+ years. DeeAnna's background is in Sales/Business Development/Marketing/Banking/Management until she moved back to Lexington near the end of last year. DeeAnna has family in Lexington, Nicholasville, Grayson, Sandy

Hook and Isonville Kentucky. DeeAnna also has one grown son, Cody, who still resides in Alabama. DeeAnna says her hobbies include, but are not limited to: sewing, cooking, motor cycle riding, gardening, rafting, exercising, reading and traveling. While DeeAnna is the consummate professional, she says that one of her joy's in life is not taking herself too seriously!! She says she also loves to laugh.....usually loudly. DeeAnna attends Southland Christian Church and volunteers as a facilitator of a ladies life group. Outside of church, DeeAnna also volunteers with GodsNet, a part of Catholic Action Charities, God's Pantry and she teaches life skills to Veterans in transitional housing. DeeAnna began volunteering at Baptist Health in January of this year in Outpatient Infusion and quickly made a positive impact on patients, family and staff. One of DeeAnna's favorite sayings is: Sometimes Broken Roads lead to the Best Destinations. When you see her, please welcome DeeAnna to her current destination as the Student Volunteer Coordinator at Baptist Health Lexington!
