Happy Birthday
To...

A Note From the President

Suzy Thurman
Auxiliary President

What a wonderful turnout we had for our annual Auxiliary business meeting last month. I hope you enjoyed the delightfully tasty breakfast before the meeting as well as the tour of the new North Tower at close. In touring the new building, I hope you saw all the wonderful opportunities of service that the Volunteers will be able to provide in these new areas and that you are spreading the word and encouraging friends and family to become a Volunteer. I hope too that you were able to see all the updating that has taken place in our own Gift Shop and will drop in and take advantage of the many wonderful items that Carla has selected for the upcoming holiday season.

Finally, with Halloween now behind us, Thanksgiving just a few weeks away, the busy holiday season on the horizon, I am reminded that the end of the year is but a blink of an eye with the end of my term as your Auxiliary President. I want to thank you for your support and encouragement during these past two years. I know you will show the same to our new President, Sue Brandstetter. You elected a quality Board at the meeting last month. I know that I am leaving this position in very capable hands. So, in this season of Thanksgiving, please know that I am thankful for each of you for all the time, effort and service you have provided as a Volunteer and Auxiliary member at Baptist Health Lexington. I look forward to seeing each of you at the upcoming Christmas Luncheon on December 9th. Until then, take care and I wish each of you a very Happy Thanksgiving as well as my heartfelt thanks for the love and support you have given me during my time as your president.

I wish each of you a very blessed Thanksgiving and Christmas season.

Suzy

A Note from the Director

We ended October with a wonderful meeting where everyone learned more about the North Tower and the opportunities soon to be available in that area. Thanks to each of you who invited someone to come with you to learn more about Volunteering at Baptist Health.

There are several things you may like to know as the North Tower prepares to open very soon:

New Room Numbers - Example **N432**
N = North Tower
4 = Fourth Floor
32 = Room

The hospital is also getting a new prefix that will be gradually introduced. The new prefix is 639. When calling directly to a North Tower room from outside the hospital, you will need to dial **639-8 + 3-Digit Room Number**. For the example above, you would dial 639-8432. Four digits can still be used inside the hospital following the same process for determining the last four digits.

As the South Tower (Current Hospital) undergoes renovation, room numbers will start with an "S" for South Tower and the numbers will be **639-7 + 3-Digit Room Number**.

Finally, beginning December 1st, in addition to the South Garage, there will be parking designated for Volunteers in the East Garage on the second level. The East Garage will be used for **ONLY** Employees and Volunteers!

Have a blessed Thanksgiving & Merry Christmas!!!

2015 Fall Meeting & North Tower Tour
