A Note From the President

Suzy Thurman
Auxiliary President

Hello to one and all!

The end of summer is here, schools are back in session and as fall arrives, the excitement abounds as the opening of the new building draws near. The Auxiliary Board has been hard at work planning a new "Volunteer Recruitment Program" to start preparing for the many new locations that our talents and services will provide throughout the hospital campus. It is our hope that you will help us in this new adventure by providing names of friends that you think would be good additions to our Volunteer forces. Also, if you are a member of a civic group, bridge group, book club, church or other entity that has a newsletter or is in need of a speaker, we would be happy to provide an article for that newsletter or a Volunteer representative to come and speak to your group.

Updates and facelifts are being implemented to our Gift Shop that will accentuate the new lobby of the 1720 Building. These are changing and exciting times at Baptist Health Lexington with the updated look of the Gift Shop, a new building and new challenges and opportunities awaiting us in the upcoming months. I look forward to ALL of us working together to provide the outstanding care, volunteer service and support that made our hospital #1 in the state.

Before I close, I want you to "SAVE THE DATE" for our Annual Fall Auxiliary Meeting on OCTOBER 30. As a special treat, you will have a chance to tour the new building on that day before the actual opening of the facility in December. Please feel free to bring a potential new volunteer with you that day to share in our excitement. More will be posted in our next newsletter about the October 30 meeting so be sure to mark your calendar for this very special meeting.

Until then, take care and continue your good work. *Suzy*

Some Notes from the Director's Desk

The Fall of the year is a VERY busy time in Volunteer Services. And, it's especially exciting this year as we prepare for many new opportunities of service when the North Tower opens later this year. I hope EVERYONE will invite at least one friend to join them at the Fall Meeting on October 30 when we will ALL have a special guided tour of this new building!!!

Fall is also the time when everyone needs to have their TB test completed. This may be done on the day you volunteer in Employee Health or you may have it done at one of our satellite locations if that's more convenient.

On a related note, flu shots are truly mandatory this year for Volunteers who serve in the hospital between October and March. You can get your flu shot at the hospital at the Fall Meeting. However, I'm not aware the hospital will have any of the specially designed flu vaccine designed for those over 55 years. If you get your flu shot elsewhere, we will need documentation, and we'll cover details of how we are tracking this at the Fall Meeting.

Finally, Annual Education is once again online at the Volunteer website. Remember, the password is VOL123 and is due to be completed by November 30th, just as it is for paid staff.

Take Me Out to the Ball Game!!!
DeeAnna, Student Volunteer Coordinator, took several of the summer VolunTeens to see a Lexington Legends game to cap off another successful summer of service!

Celebration of Care
Baptist Health Lexington Foundation thanks our volunteers who devoted their time and talents to make this event a huge success!

*Below are areas where we need Volunteers NOW!!!
Call 260-6670 to learn days and times.*

- ◆ Mail and Flower
- ◆ Surgery Waiting
- ◆ Outpatient Oncology Infusion
- ◆ Gift Shop
- ◆ Palliative Care
- ◆ Tummy Pillow Distribution
- ◆ Patient Relations
- ◆ Hallway Information Desk

Don't Fall Fair

Falls are the leading cause of injury deaths to older people yet most falls can be prevented. Spread the word to any seniors you know about the Baptist Health Lexington's Don't Fall Fair scheduled 1-4 p.m. Sept. 18 at Central Baptist Church, 110 Wilson Downing Road in Lexington.

Screenings at this free event will include balance assessment, medication review, vision screening and orthostatic hypotension assessment. Participants will learn about fall risks in the home, get information on Baptist Health HealthwoRx exercise opportunities for seniors, register for prizes and enjoy refreshments. For more information, call 859-260-4354.
